Non-pecuniary interest involves family relationships, friendships, or other interests that are not related to the potential for financial gain or loss.

Such a statement must be updated as circumstances require. 8. Screening Policy

Preamble

1. Screening of staff and volunteers is an important part of providing a safe sporting environment and has become a common practice among non-profit organizations providing programs and services to youth in the community. The purpose of screening is to identify individuals within Boxing Ontario who may pose a risk to Boxing Ontario and its members.
2. This policy on Police Record Checks ('PRC') is one of several policy tools that Boxing Ontario uses to fulfill its commitment to reasonably provide a safe environment and protect its members from harm.
3. It is the responsibility of Boxing Ontario to ensure that all PRCs, and the information contained within, are maintained in a secure and confidential fashion. Failure of any member of Boxing Ontario to maintain such confidentiality will result in that member being subject to discipline, suspension and/or permanent expulsion from participation in Boxing Ontario programs. Such measures will be at the discretion of the Executive Committee of Boxing Ontario. Policy Statement
4. Not all individuals associated with Boxing Ontario are required to undergo PRC screening,. Boxing Ontario will determine, as a matter of policy, which designated categories will be subject to screening through a PRC.
5. For the purposes of this policy, 'designated categories' are those classes of persons who work closely with athletes and who occupy positions of trust and authority within Boxing Ontario or within a member club of Boxing Ontario. Such designated categories include individuals in paid staff positions, members of the Board of Directors, members of Regional Executive Committees, volunteers appointed to accompany a representative team to an event or competition, all coaches, and all officials.
6. It is Boxing Ontario's policy that:
 - a) All staff and volunteers in designated categories defined in this policy will be screened using PRCs and the Screening Disclosure Form.
 - b) Failure to participate in the PRC process and Screening Disclosure Form as outlined in this policy will result in ineligibility of the individual for the staff or volunteer position.
 - c) Boxing Ontario will not knowingly register an individual who has a criminal conviction for a 'relevant offence', as defined in this policy.

However, where the Screening Committee is of the opinion that, notwithstanding a conviction for a relevant offence, a person can occupy a position in a designated category without adversely affecting the safety of an athlete or member of Boxing Ontario, and through the imposition of such terms and conditions as are deemed appropriate, the Screening Committee may approve a person's participation in a designated category.

- d) If a person in a designated position subsequently receives a conviction for, or is found guilty of, a relevant offence, they will report this circumstance immediately to Boxing Ontario.
- e) If a person in a designated position provides false or misleading information, that person will immediately be removed from their designated positions and may be subject to further discipline in accordance with Boxing Ontario's Discipline Policy.

Screening Committee

7. The implementation of this policy is the responsibility of the Screening Committee of Boxing Ontario; a committee of five persons appointed for a term of three years by, and at the sole discretion of, the Executive Committee of Boxing Ontario. The Executive Committee of Boxing Ontario will ensure that the members

appointed to the Screening Committee possess the requisite skills, knowledge and abilities to accurately assess PRCs and Screening Disclosure Forms and render decisions under this policy. Quorum for the Screening Committee will be three members.

8. The Executive Committee may, in its sole discretion, remove any member of the Screening Committee. Where a position on the Screening Committee becomes vacant for any reason, the Executive Committee, at its sole discretion, will appoint a replacement member to fulfill the remaining portion of the three year term.

9. The Screening Committee will carry out its duties, in accordance with the terms of this policy, independent of the Executive Committee, Board of Directors and staff of Boxing Ontario.

10. The Screening Committee is responsible for reviewing all PRCs and Screening Disclosure Forms and, based on such reviews, making decisions regarding the appropriateness of individuals filling positions in designated categories within Boxing Ontario programs. In carrying out its duties, the Screening Committee may consult with independent experts including lawyers, police, risk management consultants, volunteer screening specialists or any other person.

11. Subsequent to its review of a PRC, the Screening Committee, by majority vote, will:

- Approve an individual's participation in a designated category; or
- Deny an individual's participation in a designated category; or
- Approve an individual's participation in a designated category subject to terms and conditions as the Screening Committee deems appropriate.

12. Where, in accordance with paragraph 13, the Screening Committee denies an individual's participation in a designated category or approves an individual's participation in a designated category subject to terms and conditions, the reasons for such decision will be provided, in writing, to the designated member within 14 days of the Screening Committee's decision being made, and a copy of this decision will be provided to the Executive Committee of Boxing Ontario, through the Membership coordinator.

13. The decisions of the Screening Committee will be effective upon notice being sent to the individual by e-mail to his/her last known email address on record with the Membership coordinator.

14. The decisions of the Screening Committee are final and binding. Where the Screening Committee determines that an individual is ineligible for a staff or volunteer position, that individual may seek a review of the matter before the Executive Committee of Boxing Ontario, at its next regularly scheduled meeting. The decision of the Executive Committee will be final and binding, subject only to an appeal under Boxing Ontario's Appeal Policy.

Procedure

18. Each staff person and each volunteer in a designated category will obtain and submit, at their own cost, a PRC from their local Police Service as well as the Screening Disclosure Form to the Membership coordinator of Boxing Ontario. The PRC and the Screening Disclosure Form will be placed in a separate sealed envelope, provided for this purpose as part of their membership application or renewal package.

19. The Membership coordinator of Boxing Ontario will not process a membership application or renewal that is not accompanied by a valid PRC and Screening Disclosure Form. Individuals not submitting a PRC and Screening Disclosure Form will receive a notice to this effect and will be informed that their membership application will not proceed until such time as the PRC and Screening Disclosure Form are received.

21. Upon receipt of the membership application or renewal, the Membership coordinator will separate the PRC and Screening Disclosure Form from the application materials, redact all identifying personal details, save for

the year of birth, and forward the redacted copy of the PRC and the Screening Disclosure Form, at the appropriate time, to the Screening Committee.

22. The Screening Committee will receive and review all PRCs and Screening Disclosure Forms received from the Membership coordinator and determine whether the individual's PRC and Screening Disclosure Form reveal a relevant offence.

23. If an individual's PRC and Screening Disclosure Form do not reveal a relevant offence, the Screening Committee will notify Membership coordinator that the individual is eligible for the volunteer or staff position, and will return the original PRC and Screening Disclosure Form to the Membership coordinator for secure storage in accordance with Boxing Ontario's Records Retention Schedule.

24. If an individual's PRC or Screening Disclosure Form reveals a relevant offence, the Screening Committee will render its decision and provide notice of its decision in accordance with paragraphs 12 through 15 of this policy. After providing notice, the Screening Committee will destroy the PRC and the Screening Disclosure Form unless requested otherwise by the applicant.

25. Nothing in this policy will prevent an individual from re-applying for a staff or volunteer position with Boxing Ontario at some point in the future as designated by the Screening Committee, at which time a new PRC and Screening Disclosure Form must be submitted.

26. Individuals in designated categories who have been deemed eligible for a volunteer or staff position by the Screening Committee will resubmit an up-to-date PRC and Screening Disclosure Form every three years for the date of approval of the Screening Committee. Notwithstanding this section, the Screening Committee may request that a staff person or volunteer in a designated category to provide an up-to-date PRC and Screening Disclosure Form to the Screening Committee for review and consideration at any time. 17. HARRASSMENT POLICY

POLICY STATEMENT

1. Boxing Ontario is committed to providing a sport and work environment in which all individuals are treated with respect and dignity. Each individual has the right to participate and work in an environment which promotes equal opportunities and prohibits discriminatory practices. Harassment is a form of discrimination. Harassment is prohibited by the Canadian Charter of Rights and Freedoms and by human rights legislation in every province and territory of Canada. — Harassment is offensive, degrading and threatening. In its most extreme forms, harassment can be an offence under Canada's Criminal Code. — Whether the harasser is a director, supervisor, employee, coach, official, volunteer, parent or athlete, harassment is an attempt by one person to assert abusive, unwarranted power over another. — Boxing Ontario is committed to providing a sport environment free of harassment on the basis of race, national or ethnic origin, color, religion, age, sex, sexual orientation, marital status, family status or disability.

2. This policy applies to all employees as well as to all directors, officers, volunteers, coaches, athletes, officials and members of Boxing Ontario. Boxing Ontario encourages the reporting of all incidents of harassment, regardless of who the offender may be.

3. This policy applies to harassment which may occur during the course of all Boxing Ontario business, activities and events. It also applies to harassment between individuals associated with Boxing Ontario but outside Boxing Ontario business, activities and events when such harassment adversely affects relationships within the Amateur Boxing Association's work and sport environment.

4. Notwithstanding this policy, every person who experiences harassment continues to have the right to seek assistance from their provincial or territorial human rights commission, even when steps are being taken under this policy.

DEFINITIONS

5. Harassment takes many forms but can generally be defined as comment, conduct or gesture directed toward an individual or group of individuals, which is insulting, intimidating, humiliating, malicious, degrading or offensive.

6. For the purposes of this policy, sexual harassment is defined as unwelcome sexual advances, requests for sexual favors or other verbal or physical conduct of a sexual nature when — submitting to or rejecting this conduct is used as the basis for making decisions which affect the individual; or — such conduct has the purpose or effect of interfering with an individual's performance; or — such conduct creates an intimidating, hostile or offensive environment.

7. Types of behavior which constitute harassment include but are not limited to: — written or verbal abuse or threats; — the display of visual material which is offensive or which one ought to know is offensive; — unwelcome remarks, jokes, comments, innuendo or taunting about a person's looks, body, attire, age, race, religion, sex or sexual orientation; — leering or other suggestive or obscene gestures; — condescending, paternalistic or patronizing behavior which undermines self-esteem, diminishes performance or adversely affects working conditions; — practical jokes which cause awkwardness or embarrassment, endanger a person's safety or negatively affect performance; — unwanted physical contact including touching, petting, pinching or kissing; — unwelcome sexual flirtations, advances, requests or invitations; or — physical or sexual assault. Sexual harassment most commonly occurs in the form of behavior by males toward females; however, sexual harassment can also occur between males, between females or as behavior by females toward males.

9. For the purposes of this policy, retaliation against an individual: o for having filed a complaint under this policy; or o for having participated in any procedure under this policy; or o for having been associated with a person who filed a complaint or participated in any procedure under this policy; will be treated as harassment and will not be tolerated.

RESPONSIBILITY

10. Boxing Ontario (director responsible for this policy) and senior staff members are responsible for the implementation of this policy. In addition, Boxing Ontario (director responsible for this policy) and senior staff members are responsible for: — discouraging and preventing harassment within Boxing Ontario; — investigating formal complaints of harassment in a sensitive, responsible and timely manner; — imposing appropriate disciplinary or corrective measures when a complaint of harassment has been substantiated, regardless of the position or authority of the offender; — providing advice to persons who experience harassment; — doing all in their power to support and assist any employer or member of Boxing Ontario who experiences harassment by someone who is not an employee or member of the Boxing Association; — making all members and employees of Boxing Ontario aware of the problem of harassment, and in particular, sexual harassment and of the procedures contained in this policy; — informing both complainants and respondents of the procedures contained in this policy and of their rights under the law; — regularly reviewing the terms of this policy to ensure that they adequately meet the organization's legal obligations and public policy objectives — appointing harassment officers and providing the training and resources they need to fulfill their responsibilities under this policy; and — appointing unbiased case review panels and appeal bodies and providing the resources and support they need to fulfill their responsibilities under this policy.

11. Every member of Boxing Ontario has a responsibility to play a part in ensuring that the sport environment is free from harassment. This means not engaging in, allowing, condoning or ignoring behavior contrary to this policy. In addition, any member of Boxing Ontario who believes that a fellow member has experienced or is experiencing harassment is encouraged to notify a harassment officer appointed under this policy.

12. In the event that either Boxing Ontario (director responsible for this policy) or the senior staff member are involved in a complaint which is made under this policy, Boxing Ontario's president shall appoint a suitable alternate for the purposes of dealing with the complaint.

COACH/ATHLETE SEXUAL RELATIONS

13. Boxing Ontario takes the view that intimate sexual relationships between coaches and adult athletes, while nor against the law, can have harmful effects on the individual athlete involved, on other athletes and coaches and on Boxing Ontario's public image. Boxing Ontario therefore takes the position that such relationships are unacceptable for coaches coaching at the following levels: Junior A, B, C, and Intermediates. Should a sexual relationship develop between an athlete and a coach, Boxing Ontario will investigate and take action which could include reassignment or if this is not feasible, a request for resignation or dismissal from employment.

DISCIPLINARY ACTION

14. Employees or members of Boxing Ontario against whom a complaint of harassment is substantiated may be severely disciplined, up to and including employment dismissal or termination of membership in cases where the harassment takes the form of assault, sexual assault or a related sexual offence.

CONFIDENTIALITY

15. Boxing Ontario understands that it can be extremely difficult to come forward with a complaint of harassment and that it can be devastating to be wrongly convicted of harassment. Boxing Ontario recognizes the interests of both the complainant and the respondent in keeping the matter confidential.

16. Boxing Ontario shall not disclose to outside parties the name of the complainant, the circumstances giving rise to a complaint or the name of the respondent unless such disclosure is required by disciplinary or other remedial process.

HARASSMENT

17. Boxing Ontario shall appoint at least two persons, one male and one female, who are themselves members or employees of the sport organization, to serve as officers under this policy. If more than two officers are appointed, Boxing Ontario shall ensure a gender balance.

18. The role of harassment officers is to serve in a neutral, unbiased capacity and to receive complaints, assist in informal resolution of complaints and investigate formal written officers shall be directly responsible to Boxing Ontario (director responsible for this policy).

19. Boxing Ontario shall ensure that officers receive appropriate training and support for carrying out their responsibilities under this policy.

COMPLAINT PROCEDURE

20. A person who experiences harassment is encouraged to make it known to the harasser that the behavior is unwelcome, offensive and contrary to this policy.

21. If confronting the harasser is not possible, or if after confronting the harasser the harassment continues, the complainant should seek the advice of a harassment officer.

22. The harassment officer shall inform the complainant of: — the options for pursuing an informal resolution of his or her complaint; — the right to lay a formal written complaint under this policy when an informal resolution is inappropriate or not feasible; — the availability of counseling and other support provided by Boxing Ontario; — the confidentiality provisions of this policy; — the right to be represented by a person of choice (including legal counsel) at any stage in the complaint process; — the external mediation/arbitration mechanisms that may be available; — the right to withdraw from any further action in connection with the complaint at any stage (even though Boxing Ontario might continue to investigate the complaint); and — other avenues of recourse, including the right to file a complaint with a human rights commission or, where appropriate, to contact the police to have them lay a formal charge under the Criminal Code.

23. There are four possible outcomes to this initial meeting of complainant and officer.

a) The complainant and officer agree that the conduct does not constitute harassment. — If this occurs, the harassment officer will take no further action and will make no written record.

b) The complainant brings evidence of harassment and chooses to pursue an informal resolution of the complaint. — If this occurs, the harassment officer will assist the two parties to negotiate a solution acceptable to the complaint. If desired by the parties and if appropriate, the harassment officer may also seek the assistance of a neutral mediator. — If informal resolution yields a result which is acceptable to both parties, the harassment officer will make a written record that a complaint was made and was resolved informally to the satisfaction of both parties and will take no further action. — If informal resolution fails to satisfy the complaint, the complainant will reserve the option of laying a formal written complaint.

c) The complainant brings evidence of harassment and decides to lay a formal written complaint. — If this occurs, the harassment officer will assist the complainant in drafting a formal written complaint, to be signed by the complainant and a copy given to the respondent without delay. The written complaint would set out the detail of the incident(s), the names of any witnesses to the incident(s) and should be dated and signed. — The respondent will be given an opportunity to provide a written response to the complaint. The harassment officer may assist the respondent in preparing this response.

d) The complainant brings evidence of harassment but does not wish to lay a formal complaint. — If this occurs, the harassment officer must decide if the alleged harassment is serious enough to warrant laying a formal written complaint, even if it is against the wishes of the complainant. — When the harassment officer decides that the evidence and surrounding circumstances require a formal written complaint, the harassment officer will issue a formal written complaint and, without delay, provide copies of the complaint to both complainant and the respondent.

24. As soon as possible after receiving the written complaint, but within 21 days, the harassment officer shall submit a report to the Boxing Ontario (director responsible for this policy) and senior staff member, containing the documentation filed by both parties along with a recommendation that: — no further action be taken because the complaint is unfounded or the conduct cannot reasonably be said to fall within this policy's definition of harassment; or — the complaint should be investigated further. A copy of this report shall be provided, without delay, to both the complainant and the respondent.

25. In the event that the harassment officer's recommendation is to proceed with an investigation, Boxing Ontario (director responsible for this policy) and senior staff member shall within 14 days appoint three members of Boxing Ontario to serve as a case review panel. This panel shall consist of at least one woman and at least one man. To ensure freedom from bias, no member of the panel shall have a significant personal or professional relationship with either the complainant or the respondent.

26. Within 21 days of its appointment, the case review panel shall convene a hearing. The hearing shall be governed by such procedures as the panel may decide provided that: — the complainant and respondent shall be given 14 days notice, in writing, of the day, time and place of the hearing; — members of the panel shall select a chairperson from among themselves; — a quorum shall be all three panel members; — decisions shall be by majority vote. If a majority vote decision is not possible, the decision of the chair person will be the decision of the panel; — the hearing shall be held in camera; — both parties shall be present at the hearing to give evidence and to answer questions of the other party and of the panel. If the complainant does not appear, the matter will be dismissed, (unless the complainant decided not to lay a formal complaint, but the officer concluded that the evidence and surrounding circumstances were such as to require a formal written complaint). If the respondent does not appear, the hearing will proceed; — the complainant and respondent may be accompanied by a representative or adviser; — the harassment officer may attend the hearing at the request of the panel.

27. Within 14 days of the hearing, the case review panel shall present its findings in a report to Boxing Ontario (director responsible for this policy) and senior staff member, which shall contain: — a summary of the relevant facts; — a determination as to whether the acts complained of constitute harassment as defined in this policy; — recommended disciplinary action against the respondent, if the acts constitute harassment; and — recommended measures to remedy or mitigate the harm or loss suffered by the complainant, if the acts constitute harassment.

28. If the panel determines that the allegations of harassment are false, vexatious, retaliatory or unfounded, their report shall recommend disciplinary action against the complainant.

29. A copy of the report of the case review panel shall be provided, without delay, to both the complainant and the respondent.

30. When determining appropriate disciplinary action and corrective measures, the case review panel shall consider factors such as: — the nature of the harassment; — whether the harassment involved any physical contact; — whether the harassment was an isolated incident or part of an ongoing pattern; — the nature of the relationship between complainant and the harasser; — the age of the complainant; — whether the harasser admitted responsibility and expressed a willingness to change; and — whether the harasser retaliated against the complainant.

31. In recommending disciplinary sanctions, the panel may consider the following options, singly or in combination, depending on the severity of the harassment: — a verbal apology; — a written apology; — a letter of reprimand from the sport organization; — a fine or levy; — referral to counseling; — removal of certain privileges of membership or employment; — demotion or a pay cut; — temporary suspension with or without pay; — termination of employment or contract; or — expulsion from membership.

32. Where the investigation does not result in a finding of harassment, a copy of the report of the case review panel shall be placed in the harassment officer's files. These files shall be kept confidential and access to them shall be restricted to Boxing Ontario (director responsible for this policy), the senior staff member and harassment officers.

33. Where the investigation results in a finding of harassment, a copy of the report of the case review panel shall be placed in the personnel or membership file of the respondent. Unless the findings of the panel are overturned upon appeal, this report shall be retained for a period of ten years, unless new circumstances dictate that the report should be kept for a longer period of time.

PROCEDURE WHERE A PERSON BELIEVES THAT A COLLEAGUE HAS BEEN HARASSED

34. Where a person believes that a colleague has experienced or is experiencing harassment and reports this belief to a harassment officer, the officer shall meet with the person who is said to have experienced harassment and shall then proceed in accordance with Section 22. APPEALS

35. Both the complainant and respondent shall have the right to appeal the decision and recommendations of the case review panel. A notice of intention to appeal, along with grounds for the appeal, must be provided to the chairperson of the case review panel within 14 days of the complainant or respondent receiving the panel's report.

36. Permissible grounds for an appeal are: — the panel did not follow the procedures laid out in this policy; — members of the panel were influenced by bias; or — the panel reached a decision which was grossly unfair or unreasonable.

37. In the event that a notice of appeal is filed, Boxing Ontario (director responsible for this policy) and senior staff member shall together appoint a minimum of three members to constitute the appeal body. This appeal body shall consist of at least one woman and at least one man. These individuals must have no significant personal or professional involvement with either the complainant or respondent and no prior involvement in the dispute between them.

38. The appeal body shall base its decision solely on a review of the documentation surrounding the complaint, including the complainant's and respondent's statements, the reports of the harassment officer and the case review panel and the notice of appeal.

39. Within ten days of its appointment, the appeal body shall present its findings in a report to Boxing Ontario (director responsible for this policy) and senior staff member. The appeal body shall have the authority to uphold the decision of the panel, to reverse the decision of the panel, and/or to modify any of the panel's recommendations for disciplinary action or remedial measures.

40. A copy of the appeal body's report shall be provided, without delay, to the complainant and respondent.

41. The decision of the appeal body shall be final.
